*Dedicated
to
Mary Lynn Wille*

After an accident last summer, we have seen a good friend respond with courage and faith throughout a difficult time in her life. We are grateful for the example she has set for us all.

*Believe in Your Dreams
Patience Strong*

Believe in your dreams, hold fast your hopes, though frail as thistledown—when clouds obscure the day's good light and fortune seems to frown. Keep your first triumphant faith and never let it go. Then you'll always turn your eyes towards the morning glow.

Believe in yourself and in your power to face what life demands. Doubt not your strength, but do your task with willing heart and hands. Never let your standard down; be honest, just and true. Then no road will be too long, no hill too steep for you.

Believe in God and lean on Him in failure and success. This is the secret of a life of hope and happiness. This is what brings a magic meaning to all happenings. This is the truth that glorifies dull days and common things.

HIGH SCHOOL ADMINISTRATION

Mr. Tony Dubray has been at Liberal High School for 19 years. He came to Liberal as a social studies teacher and basketball coach. He taught for his first three years and coached for 4 years. In 1964, he became principal. Mr. Dubray considers his most important role as high school principal is planning the curriculum.

Mrs. Alice Hoover has served as Mr. Dubray's secretary for 14 ½ years. Her many duties include taking lunch money, updating student records, and assisting Mr. Dubray in correspondence.

JOURNALISM

"Deadline"—the word that sent chills through all twenty-three members of the Journalism class. Finally after no blood, lots of sweat, and even a few tears, all the monthly newspapers and the year-book were off the press. It was no small effort, in fact, it was a big job. However, under the guidance of Mrs. Laurel Thomas, the seemingly impossible was achieved.

We of the Journalism class present to you IMAGES OF 1980. We hope that in years to come when you leaf through this book that it may prove a fitting memento of a truly great year.

Student Council

Officers for this years Student Council were: Jeff Brooks, President; Kim Roehrs, Vice-President; Rhonda Baston, Secretary; Teresa Sheat, Treasurer. The Council sold candy bars during the year raising \$750.00 to finance their activities. These activities were the Miss Merry Christmas and Mr. Mistletoe presentation and the Basketball Homecoming. Both were very successful occasions.

Only ten percent of the student body can be accepted in National Honor Society. Each person who is a member of the society must successfully qualify in four individual categories. First; the student must have high academic marks and be on the honor roll.

Then the students are rated by the individual faculty member in three categories; character, service to the school, and leadership.

Congratulations to; Lisa Dingman, Anne Nicolas, Marianne Mooney, Anthony Lakey, Suzette Nichols, Mary Brasher, Joni Martin, Diann Sprouls, Jeff Dermott, Rita Borghardt, Kristy Percy, Kevin Percy, Charles Sorenson, Curt Holland and Martin Hohn.

Math League

On April 15, 12 members and eight alternates traveled to MSSC for the last meet of the year. Before the meet Liberal was in second place followed closely by the third place team. The team scored 23 points and ended a successful year. The Math League picnic, held in Joplin on May 5 was one of the highlights of the year

When I arrived at the Kennedy Airport in New York and received a warm welcome I realized that my year in the United States had begun.

The year I dreamed about is now over. Nothing can equal the experience I have gained in Liberal. It has been one of the most enjoyable and educational years of my life. I extend a sincere appreciation to all the people who helped me and gave me their friendship from the beginning to the very end of this year.

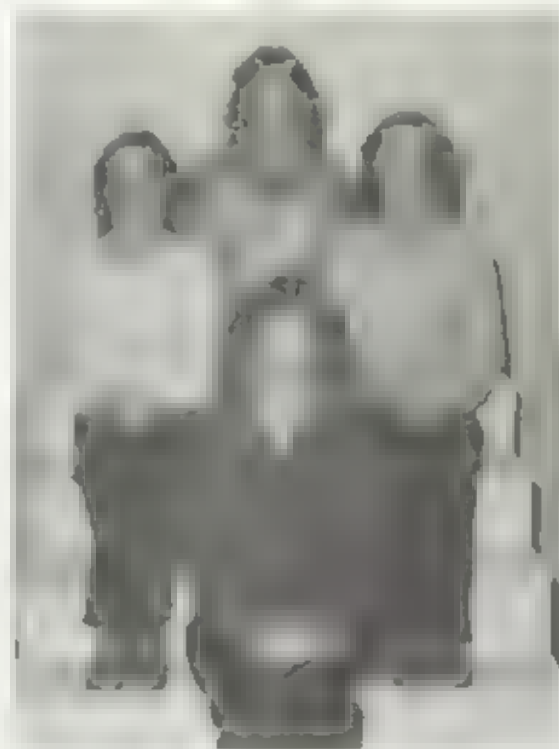

The DC-10 pulled to a stop, "Welcome to Honolulu, you are now entering the United States" My year in the U.S. had begun!

Now it is over. The months in between have been some of the most enjoyable and educational of my life. I extend a sincere thank you to the many people who have helped me and given me their friendship. The time I've spent at Liberal has been very rewarding and of course lots of fun. Thanks.

A.F.S.

The American Field Service sponsored two students this year. Ian Humphreys from Bathurst, Australia and Anette Hein from Falun, Sweden. Ian's hosts were the Marion Sprouls family. Anette's host family was the John Wettsteins. This year the organization sold candy and candles for a money making project.

Band

The High School band had its finest season in several years. Marching season was highlighted by 3 trophies from Lamar, Fort Scott and a 3rd place finish at MSSC. The band played at the football games and finished the season with a full size half time show.

The concert season was just as successful with a fine Christmas concert, Pre contest concert, Spring Centennial concert, and Graduation performance.

The band received its highest contest rating in several years with a II overall and I in sight reading. Sharon Reynolds qualified for state competition for the second time and the band was invited to Silver Dollar City for a performance on Band Day.

FHA

This year's FHA group consisted of 58 members, one advisor, Mrs. Van Luyck, and two Chapter mothers. This was a busy year for the group. Besides sewing Stanley and having a bakesale, they also had the Big Little Sister party in October, Father Daughter Banquet in March, and the Spring Fashion Show in April. FHA week was held February 11-17. It included a work day, love grams which were sold Valentine's Day, and attending a church service.

A trip to the Ice Capades in Kansas City made a perfect ending for the year.

Class of 1981

This was a busy year for members of the junior class. They took on the responsibility of the football and volleyball concession stands and sold candy bars to raise money. With the assistance of class sponsors, Mrs. Karen Myers, and Matthew Mallen, the class worked hard providing a prom for the seniors. Many hours of rehearsing and working backstage were spent to present the junior class play, "You're Only Young Once" directed by Mrs. Laurel Thomas. They also put out the April edition of "The Bulldog Spotlight."

FOOTBALL HOMECOMING

After weeks of waiting Football Homecoming Week had arrived and what a week it was! School life during the week was extremely varied with Shades Day, Cowboy Day, Hobo Day, Wierd Hairdo Day and Red and White Day. All during the activities teachers were faced with classes looking more like a circus sideshow than pupils

On Thursday the Powder Puff game was held. The girls put aside their femininity and manners for the game and treated the crowd to a tough, fast, rough and tumble display of "Woman Power." Kim Roehrs was crowned Powder Puff Queen

Miss Sandra Buffington was crowned Homecoming Queen. The dance was successfully staged in the high school cafeteria and capped a magnificent Homecoming week

Several hurdles were jumped during the 1979 football season. The biggest hurdle was the first victory in several years. Also, especially among the younger players, confidence and pride developed.

The junior varsity games included a 9-6 victory against Oswego and a 6-3 loss to Arma. There weren't many dry eyes in the locker room after the Arma game.

Coach Thomas felt that a much improved football team, led by juniors and seniors, will meet competition next year. With a great deal of effort and sacrifice, the 1980 season will be a rewarding one.

From Left to Right: Patty Buffington, Anette Melin, Sheri Lanz, Pattie Schreweis, Rita Borghardt, Lisa Dingman, Cindy Thornton, Melanie Havens, Ann Simons, Trudy Wettstein, and Coach John Buche

The Liberal girls had their best season as they completed their fourth year of volleyball competition. The varsity-junior varsity combined record for the regular season was 7-5; the best mark since the sport was established in 1976.

The varsity finished in the middle of the division for the third time in four years, and they haven't had a losing season since their first year of competition. Melanie Havens was the leading server on the varsity and established a new career scoring record of 101 serving points in 18 matches. She also had 14 spikes for a total output of 55 offensive points for the year. Rita Borghardt finished second in serving points, while Patty Buffington led the team in spikes. Trudy Wettstein finished third in serving points, and second in spiking. Melanie Havens was picked as the team's "Most Valuable Player."

Basketball Homecoming

The Bulldogs celebrated a Homecoming victory on February 1, 1980. Suzette Nichols, senior, was crowned Queen by Lindy Rose. Jennifer Workman and Cory Larson were flowergirl and crownbearer. The Student Council sponsored the victory dance afterwards with the theme being "Love Is In the Air." The music was provided by "The Touch of Class."

What determines a successful basketball season? The most obvious measurement is the team's win-loss record. However, records don't always tell the whole story. Coach Dick Clark believed that the 1980 was successful. He felt they achieved the objective to build a solid foundation for a successful program.

The basketball teams worked hard and sacrificed much during the off season. Individual improvement will be a key to reaching next year's potential. Hopefully, the youngest team in the area this year will develop into one of the better teams next year.

Every team record fell this year, as well as a number of individual school records, as the varsity girls had their best season ever, finishing with a 17-5 record. The varsity girls won the Bronaugh Class C Tournament, the Golden City Invitational Tournament, and finished the regular season division schedule in a three-way tie for first place. The biggest thrill of the season was the triple overtime victory against Waker for the 1A District Championship, and the girls' first trip to the State Class 1A Tournament.

Cindy Thornton scored 297 points to establish a new season scoring mark, averaging 13.5 points a game. She also became the varsity's leading career scorer with 461 points, an 11.5 average. Trudy Wettstein collected a record 13 rebounds a game, with 25 in a single game, and pushed the career mark to 408 rebounds. Melanie Havens had 107 season assists, and a career record of 157. Cindy, Trudy, and Debbie Beam each scored 23 points in a single game for a new game high mark. Debbie finished second in rebounding, third in scoring, and first in field goal percentage, 44 percent. She was picked as this year's "Most Valuable Player."

The baseball team played a tough regular season schedule against 2A and 3A schools. However, they held their ground and the competition helped them in the long run. The Bulldogs played four games against 1A schools and won all of them. They also reached the State Tournament by winning the class 1A District Championship at Ballard.

With only one senior on the roster, Liberal figures to be a strong contender for the State Tournament again next year.

Elementary Administration

Mr. John Nichols has been principal of the Liberal Elementary school for 16 years. Next year, Mr. Nichols will be moving on to a different position as the Superintendent of Cole Camp Schools. While he was in Liberal, he implemented several changes in the curriculum. One of the most fulfilling aspects of his principalship was seeing the progress of the elementary students as they moved into high school.

Mrs. Jill Butler, secretary to Mr. Nichols, has worked at the elementary school for six years. In addition to collecting lunch money, answering the phone, and typing requisitions for the school, she also controlled the data concerning the permanent records of the students.

Class of 1984

The eighth grade class encountered many new experiences by moving to the high school this year. They experienced changing classes for the first time, and were an asset to the junior high sports record. The football team finished with a 2-2 record while the basketball team had a final 9-4 record. Mr. George and Mr. McKee, class sponsors, were a big help too.

The seventh grade enjoyed both extracurricular and academic activities. Football, basketball, cheerleading and pep club were fun first-time experiences and a "Winter Reading Olympics" contest helped introduce many good books.

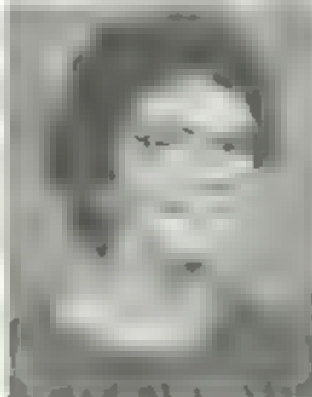

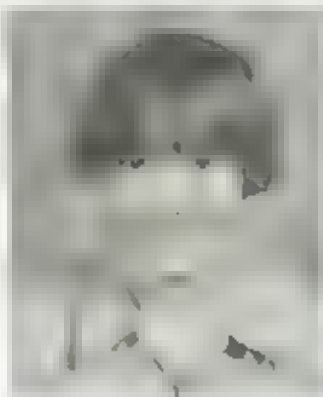

Most of all, the year ended with students anxious to begin their first year at the high school.

The 7th and 8th Grade Football team ended the year with a 2-2 mark. This was a very good year for them. The year was highlighted by an unforgettable 6-0 win over Jasper. The team improved tremendously as the year progressed. This is one year that the players had something to be proud of.

JR. HIGH

It was a very good year for the young Bulldogs. Thirteen players produced a 2-2 record in Football. Victories were over Carl Junction (35-21) and Jasper (6-0). Basketball season went equally as well. The 7th graders were six wins against four losses. There were several games won or lost by one and two points. They were exciting to watch. The 8th graders were nine wins against four losses. We placed 2nd in the Jasper Invitational Tournament.

Track had some bright spots also. Tommy Hayes set a record in the 880 yd. run at the Lamar Relays. The girls placed 5th in the conference, against 10 teams.

Letterman in all three sports were Tommy Hayes, Tim Workman, Ron Roehr, Scott Koby, and Phil Charlton.

Class of 1986

Some of the activities the sixth grade enjoyed this year were writing and binding their own books, participating in the learning centers, and working with the science table in class. They also worked on contracts in social studies which emphasized learning about Latin America. The year was a fun, as well as meaningful one

The fifth grade boys and girls were required to learn the states and their capitals, the Gettysburg Address, and the American creed. They also passed the one hundred multiplication facts in three minutes or less.

This year they did a study of George Washington Carver's accomplishments and took a trip to the Carver home site at Diamond, Missouri. This trip was definitely the highlight of the year.

This year the second grade enjoyed studying Liberal. After learning the history of Liberal they visited the bank, library, implement store, grocery store, and the Liberal Cemetery. Mrs. Sprouls and Ms. Van Tassel exchanged reading groups throughout the year and used S.R.A. individual reading cards to develop reading skills. Cursive writing started after Christmas, so all spelling was done in cursive the last twelve weeks of school.

The kindergarten students combined into one large classroom this year with a teacher and teacher's aide. The curriculum worked to build each child's self-confidence, self-esteem, and helped him build basic steps to realize his own learning potential. A strong phonics program encouraged many students to read by the end of the year.

The class also enjoyed presenting several musical programs during the year and were quite an outstanding musical group.
